HIGH END HANDMADE FITTED KITCHEN WITH QUARTZ/GRANITE WORKTOPS AND INTEGRATED APPLIANCES

LUXURIOUS BATHROOMS WITH QUALITY SUITE AND TILING.

SECURITY ALARM SYSTEM

HIGH END FLOORING INCLUDED THROUGHOUT

OAK VENEER INTERNAL DOORS WITH COMPLEMENTARY FITTINGS

(A detailed specification is available further below)

Each home will benefit from a modern, sustainable design incorporating a remarkably high level of thermal insulation together with solar PV panels ensuring reduced ongoing energy requirements and associated running costs whilst also minimising any environmental impact.

Featuring R.N. Wooler & Co. Ltd's characteristic attention to detail, these impressive modern homes will be appointed to an exceptionally high standard throughout, incorporating stylish and contemporary modern interiors equipped with elegant kitchens and bathrooms, cast iron wood burning stoves to the living rooms and luxurious 'zoned' underfloor gas central heating to the ground floor. High-end flooring will also be included throughout all open market homes.

These desirable new homes are situated close to the beautiful Skipton Woods, an ancient area of woodland extending behind the spectacular medieval Skipton Castle following the natural valley of Eller Beck offering a wonderful habitat for birds and other wildlife whilst leading past the historic Springs Canal and directly down into the town centre itself. The high street with its wide range of shops and other amenities, including a regular outdoor market, is also only a few minutes walking distance away.

The increasingly popular market town of Skipton has won many accolades in recent years, being independently judged to be one of the best areas to live in the UK via multiple media sources. Catering to residents of all ages, the town offers the perfect combination of excellent schooling, easy access to countryside and an extensive choice of leisure, shopping and recreational facilities. The town is intersected by the scenic Leeds/Liverpool canal and is well known for its Medieval Church and Castle together with a bustling High Street featuring an outdoor market on the cobbled 'setts' four days a week. The town offers an excellent mix of independent shops, pubs and cafés in addition to having well known branded stores and a choice of fashionable bars and restaurants. There are excellent public transport links, including a railway station providing regular daily services to Leeds and Bradford. The town enjoys an annual programme of community events and festivals, attracting an ever increasing degree of tourism. In addition, the beautiful Yorkshire Dales National Park is only a short drive away to the north, offering some of the finest countryside and scenery in the UK.

THE DEVELOPER

R N Wooler & Co Limited have earned a reputation for meticulous attention to detail, expertly utilising high quality materials to create sophisticated modern homes which are constructed to the highest possible standards. This well established and extremely successful Multi-Award Winning local family firm has been

responsible for many exciting projects, benefiting from a long serving workforce of directly employed craftsman, proud to be building the high calibre homes of the future.

RESERVATION

To make a reservation, please contact the Selling Agents. A reservation fee of £1,000 is required to secure the property. Please make cheques payable to "R N Wooler & Co. Limited". Payment can also be made by BACS (account information can be obtained from the selling agents). All reservations are subject to a reservation agreement and purchasers must be in a position to exchange contracts within nine weeks of this agreement. The reservation fee is deducted from the balance due on completion. If, after placing the reservation fee, the prospective buyer does not proceed with the purchase within the prescribed timescale, the developer reserves the right to re-offer the property and retain a fair proportion of the reservation fee towards any 'out of pocket' expenses. Upon making a reservation, the prospective purchaser will be required to provide proof of ID and proof of funds (including a mortgage agreement in principle where applicable). This information must be provided within 7 days of the reservation agreement. In addition, we strongly recommend that all prospective purchasers appoint a Solicitor or Professional Legal Advisor to carry out the legal formalities and represent their interests relating to the purchase. The name and contact details of such should also be provided to the selling agents within 7 days of the reservation agreement. If the necessary information above is not provided to the selling agents within the 7 day time frame, the developer reserves the right to withdraw from the reservation and re-offer the property for sale. In all other respects, the developer reserves the right to withdraw from the reservation agreement at any stage, subject to a full refund of the reservation fee. In any event, any supplementary costs incurred by the purchaser associated with the proposed purchase are entirely at their own risk and will not be reimbursed by the developer under any circumstances. Please contact the selling agents to discuss any potential reservation proposal in detail.

GENERAL

Any plans, descriptions and measurements are subject to change and do not form part of any contract. The developer reserves the right to make changes to the plans and specification at any stage. Potential buyers are advised to ensure that the finished dimensions, boundaries, specification and layouts meet their own expectations and requirements prior to exchange of contracts. Some photos shown may be of the Show Home or from previous developments and are for illustrative purposes only. The site plan shown is

provisional and is subject to change. Any fitted wardrobes shown on the plans or in the photographs are for illustrative purposes only and are an optional extra.

Any floor plans are provided for informational and illustrative purposes only. Although we endeavour to provide truthful representation, we do not in any way warrant the accuracy of a floor plan information and the floor plan layout and measurements may contain errors and omissions. We are not liable for and do not accept any liability relating to any loss or damage suffered as a direct or indirect result of use of any information on the floor plan.

These particulars were prepared from observation together with information supplied by the vendor. We have not carried out a detailed professional survey.

* AFFORDABLE HOMES

A small number of homes on the development are allocated for 'Affordable Housing'. Harrison Boothman have not been appointed to market the affordable homes and are therefore unable to provide any further assistance in this regard. Any parties potentially interested in purchasing an affordable home are advised to contact North Yorkshire County Council in the first instance.

TENURE

Each property will be Freehold. Private roads off the adopted highway and certain areas of open green space within the development will be communally owned and run by a Management Company. Each home will make an annual contribution towards this.

HEALTH AND SAFETY

Any site visits are strictly by appointment only. Interested parties must not, under any circumstances, attempt to venture onto the building site unaccompanied. Building sites are dangerous and contain numerous safety hazards including moving machinery and uneven surfaces. Any visitors to the site will be required to observe important health and safety notices and must wear suitable footwear together with Personal Protective Equipment (PPE). The PPE will be provided by the developer upon arrival and should be worn until leaving the site. Young children and pets will not be permitted on site. Agreed site visits will be accompanied by a representative on behalf of the developer. Whilst conducting site visits, it is essential for their own safety that visitors must follow all instructions provided by the appointed representative and must only access areas of the site permitted by the representative on behalf of the developer. During site visits, visitors are advised to be alert for any potential hazards and take great care at all times. Visitors must remain together in a group with the representative and must not leave this group at any time.

WARRANTY AND BUILDING STANDARDS

Each property will be constructed in accordance with relevant building regulations, the planning consents and under the supervision of the NHBC. A 10 year NHBC warranty will be provided on completion. Further written information on the warranty is available on request and will also be provided at the point of any reservation.

CONTACT AND COMPLAINTS

Prior to reservation, buyers are advised to direct any general queries or complaints to the Selling Agents either by telephone or email. Once a reservation has been made, any legal questions must be directed to the purchaser's appointed legal advisers; whilst any queries regarding the general fit-out of the property

should be directed to the developer directly either by telephone or email. Specific contact details for the developer will be provided at the point of reservation. Upon completion of the sale, any queries or complaints should be made directly to the developer or to NHBC where required.

FITTING OUT

Where agreed your home will be fitted out as per the specification provided to you. The time this takes depends on availability of labour and materials together with other factors that can impact on the speed at which we can work such as the weather. Occasionally the developer and purchasers agree to alterations to that specification or additional items. These are often referred to as 'extras'. In those circumstances where 'extras' are agreed we reserve the right to require that the purchaser pays an additional sum for the items to be ordered and the work to be done. Please note where 'extras' are agreed and the additional sum is paid it is paid on the following basis:

1) It will be used for the ordering/construction and acquisition of materials and items and subsequent fitting of the agreed additional items.

2) In the event that you do not proceed with the purchase only that part of the monies paid that has not been utilised in respect of the 'extras' will be refunded.

Consequently if you do decide to proceed on this basis the sums you pay may not be refunded. If you are unclear as to the meaning of the above please seek independent legal advice.

SERVICES All mains services will be installed.

Please note we have not been able to test the equipment or installations in this property and recommend that prospective purchasers arrange for a qualified person to check any appliances before entering into any commitment.

VIEWING Strictly by arrangement with HARRISON BOOTHMAN Tel: Skipton 799993

If you are thinking of selling your property HARRISON BOOTHMAN will be pleased to provide a FREE VALUATION for sale purposes.

SPECIFICATION

ALL PLOTS except 6,7,13,14,15,28,29,30 & 31

Predicted Energy Assessment

Crookrise, Skipton, Yorkshire, BD23 6FS

Dwelling type: House, Detached
 Date of assessment: 29/01/2025
 Produced by: Jacob Marchant
 Total floor area: 182.38 m²
 DRRN:

This document is a Predicted Energy Assessment for properties marketed when they are incomplete. It includes a predicted energy rating which might not represent the final energy rating of the property on completion. Once the property is completed, this rating will be updated and an official Energy Performance Certificate will be created for the property. This will include more detailed information about the energy performance of the completed property.

The energy performance has been assessed using the Government approved SAP 10 methodology and is rated in terms of the energy use per square meter of floor area; the energy efficiency is based on fuel costs and the environmental impact is based on carbon dioxide (CO₂) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills are likely to be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.

These particulars do not constitute an offer or contract of sale.

Any prospective purchaser should satisfy themselves by inspection of the property.
